2006 Award Winners

Heinz Lehmann Award

Dr. L. Trevor Young is the recipient of the 2006 Canadian College of Neuropsychopharmacology (CCNP) Heinz Lehmann Award. Dr. Young is a Professor in the Department of Psychiatry at the University of Toronto and Cameron Wilson Chair in Depression Studies at the Centre for Addiction and Mental Health (CAMH). He holds the administrative positions of Physician-in-Chief, Executive Vice President of Programs and Vice Chair at CAMH. This award is designed to recognize outstanding research achievements by Canadian scientists in the field of neuropsychopharmacology. The award, donated by Eli Lilly Canada Inc., consists of a \$5000 research prize plus a \$2000 travel award and an engraved plaque. Congratulations to Dr. Young!

Innovations in Neuropsychopharmacology Award

Dr. Rachel Tyndale is the recipient of the 2006 CCNP Innovations in Neuropsychopharmacology Award. Dr. Tyndale is a Professor in the Department of Pharmacology at the University of Toronto and Head of the Pharmacogenetics Section at the Centre for Addiction and Mental Health. This award is designed to recognize outstanding research innovations in the basic or clinical fields of neuropsychopharmacology. The award, donated by Wyeth Pharmaceuticals, consists of \$5000 and an engraved plaque. Congratulations to Dr. Tyndale!

Young Investigator Award

Dr. Stan Floresco is the recipient of the 2006 CCNP Young Investigator Award. Dr. Floresco is an Associate Professor in the Department of Psychology at the University of British Columbia. This award is designed to recognize outstanding contributions in the field of research in neuropsychopharmacology by a young basic scientist or clinical investigator in Canada. The award, donated by Bristol-Myers Squibb Pharmaceutical Ltd., consists of a \$2500 bursary plus a \$2000 research grant and an engraved plaque. Congratulations to Dr. Floresco!

CCNP Medal

Dr. Sidney Kennedy is the recipient of the 2006 CCNP Medal. Dr. Kennedy is a Professor in the Department of Psychiatry and Psychiatrist-in-Chief at the University Health Network, University of Toronto. This award was established to honour individuals for a meritorious career in, and outstanding contribution to, neuropsychopharmacology in Canada as evidenced by their activities in education, administration and/or patient care. The award consists of a bronze medal engraved with the recipient's name and is sponsored by the CCNP. Congratulations to Dr. Kennedy!
